

About Karin Genton-L'Epée

Karin is a business and executive coach with 26 years of professional experience in the United States, France and the Czech Republic.

Based in Prague, for the past 11 years she has developed a range of coaching and training programs for mid- and top-level managers focusing on leadership development, cross-cultural understanding and effective communication.

By providing a structured environment that supports people in clarifying who they are and what they want, Karin enables her clients to devise more effective strategies to achieve their personal and professional goals.

With her knowledge, skills and range of experience, Karin has been a frequent guest speaker at business conferences and educational institutions. She is also a regular contributor to business journals and magazines. Karin works in English and French.

Williams & Partner Leadership Series

Cooperative Communication Skills Three main challenges

by Karin Genton-L'Epée

"To handle yourself, use your head; to handle others, use your heart."
Donald Laird

Date & Time: 17 of June, 17.30 - 20.30 h

Location: PWC Business Center, Kateřinská 40

As part of the Leadership Series entitled *Leading and Managing through tough times*, the seminar is designed for managers & business professionals who are concerned with maintaining a high productivity in tough times by motivating their colleagues using clear & effective communication tools.

The seminar provides a structured & comprehensive exploration of the 3 main communication challenges for a positive and motivating communication.

Challenges

- Active Listening by learning to listen
- Motivating & Negotiating by connecting with people
- Managing Conflict by translating criticism into requests

Using practical techniques, you will be able to:

- identify your main barriers in communication
- learn how to express yourself more clearly & be understood
- transform your complaints into requests to motivate

The seminar is highly interactive & requires your active participation
